

MAINE SEA GRANT COLLEGE PROGRAM

Main Office: 5784 York Complex • University of Maine • Orono ME 04469-5784

Phone: 207.581.1435 • Fax: 207.581.1426 • www.seagrants.umaine.edu

Date: June 24, 2009

To: Oil Spill Advisory Committee (OSAC)

From: Paul Anderson, Director, Maine Sea Grant College Program

Re: OSAC Research Program Update

Discussion Items

1. Request for Proposals (2010 funding) - lessons learned and how to approach this for the next cycle (priorities, OSAC involvement)
2. Status of the current research competition
3. Promoting the OSAC-funded research program and projects
4. Translation and delivery of OSAC-funded research products (communication plan)
5. *MOU review/renewal*
